

***Zero-Energy* Cerritos Home Participating
in the National Solar Tour!!!
Saturday, October 7, 2006**

sponsored by American Solar Energy Society (ASES)

Learn how your neighbors have:

- ended their energy bills (no electricity bill!)
- eliminated the use of gasoline for their car (no gasoline!)
- renovated their 1968 house into an energy-efficient home with insulation, dual-pane windows, heat pumps & more
- achieved oil independence!
- prevented the release of 21,000 lbs. of global warming gases into the atmosphere, per year!

Come visit and meet Norma and Alan Williamson

From 10:00 a.m. to 4:00 p.m.

At 13243 Palm Place, Cerritos, Ca. 90703

(West of Carmenita & North of Artesia)

**See how they *generate more electricity than they consume* with their grid-tie
6 kilowatt electric solar (photovoltaic) and solar thermal systems.**

View their battery-back up system for use in black-outs.

**Sit in the driver's seat of their 100% electric car, the Toyota RAV4 EV,
a zero emissions vehicle (no tailpipe!).**

**Read their SCE electric bill, which shows an annual credit of \$371 and their one to
three therm (monthly) Gas Company bill from December to June.**

Free solar oven baked cookies!

ASES is a national organization dedicated to advancing the use of solar energy for the benefit of U.S. citizens and the global environment. ASES promotes the widespread near and long-term use of solar energy. For more information, log onto:
